

## **Buying tickets with “enjoy!”**

Over recent months, the Roche Employees' Association (AVR) has been contacted many times about the “enjoy!” cultural and leisure pass. To receive the discounts on offer without any problems, please observe the following notes:

### **1. Applying for an “enjoy!” membership card**

Go to the Website (<https://enjoy.roche.ch/en/enjoy.html>). Under the keyword “Register” there are instructions on how you can register as a member and apply for a new pass. You can choose between an electronic pass (ePass) and a printed membership card.

On the website, you can also find the full range of offers and current event tips.

You should also have received an application form for the “enjoy!” service from the pension fund. If you prefer, you can complete this form and return it to the address specified. Your pass will then be posted to you.

### **2. Discount code**

To buy tickets online, you also need a promotion code. To obtain this, please contact “enjoy!” either by phone on 061 68 711 21 or by e-mail at [basel.enjoy@roche.com](mailto:basel.enjoy@roche.com), stating your employee ID number and the code for the event in question.

### **3. Buying tickets**

There’s now nothing stopping you from buying discounted tickets. When you present your “enjoy!” membership card and the discount code, the sales office are permitted to sell you up to two discounted tickets.

If you would like to receive regular updates, sign up for our electronic newsletter at [basel.enjoy@roche.com](mailto:basel.enjoy@roche.com).
