

# CSS Insurance – Company portrait

Basel, 19. August 2019

Lukas Federer, general agent

The CSS Group was founded in 1899 and is headquartered in Lucerne. Drawing on its long and proud tradition, the company insures around 1.76 million individuals. With a premium volume of 6.46 billion Swiss francs, it is one of Switzerland's leading health, accident and property insurers. The CSS Group is the market leader in basic insurance, having earned the trust of 1.39 million people. The company fosters close ties with those it insures, with more than 100 agencies throughout Switzerland and some 2,700 staff. CSS produces information that provides guidance and support in all aspects of health and healthcare.

# Who can be insured with CSS from 1 January 2020?

- Your current insurance has to be **terminated**
- Each individual insurance policy may be cancelled at the end of the contract term, subject to a three-month **period of notice**, with effect from the **end of the insurance year** (calendar year).
- **Notification of new premiums**  
The line of insurance affected by the change in premium (increase/reduction) may be cancelled with effect from the **end of the insurance year**. Notice of cancellation must reach CSS within 25 days of the change being notified, but no later than the last day of the insurance year.

CSS will be happy **to deal with all the formalities** on your behalf.

# What happens to persons who are insured under Roche's previous FC-P?

Persons who are insured under the previous discount contract of Roche have the right to transfer to the AVR framework contract if they are AVR members.

We need a copy of their AVR membership card for the transfer.
